Sir:

STATEMENT REGARDING PATENT TERM ADJUSTMENT

Applicants have received the Determination of Patent Term Adjustment Notice that accompanied the Notice of Allowance. This Notice indicated that the Patent Term Adjustment is 682 days. Applicants respectfully disagree with the Patent Term Adjustment.

The United States Patent and Trademark Office mailed a Notice to File Missing Parts on September 19, 2000. Applicants filed a Response to Notice to File Missing Parts on December 18, 2000. This was within the three (3) months given to respond to this action without penalty of Patent Term Adjustment.

Patent Application Information Retrieval (PAIR) (copy provided as Attachment A) shows a total of 782 days of Patent Term Adjustment. PAIR also shows the Response

to Notice to File Missing Parts received by the USPTO on March 21, 2001, therefore subtracting 98 days from the Patent Term Adjustment. Please note that the Response to Notice to File Missing Parts was filed with the USPTO on December 18, 2000. A copy of the stamped postcard (Attachment B) shows that the USPTO received the Response to Notice to File Missing Parts on December 19, 2000. Therefore, the 98 days currently being subtracted from Patent Term Adjustment is incorrect, leaving the Patent Term Adjustment at a total of 782 days.

Applicants respectfully request that a Patent Term Adjustment of 782 days be granted to this application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 06-0916. Please grant any extensions of time required to enter this response and charge any additional required fees to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
